Qatar International College Fair 2015 organized by the Supreme Education Council is dedicated to all students to get information about education programs. It provides high visibility for Canada and represents significant promotion opportunities for Canadian education. The International College Fair is the ideal platform for branding and disseminating information and more importantly promote Edu-Canada Tour in Qatar.

The BMI Global Education Fair in the Middle East is the best way for students and professionals to learn about their study options both in the Gulf Countries and abroad. At the fair you will meet and speak directly with the representatives of some of the best education institutions around the world, getting answers to all the questions you have about your future academic life.

At the fair you can find information on thousands of programs and courses including: undergraduate, postgraduate, high schools, language courses, among others. Plus you will find the most comprehensive and up-to-date information about application processes, visa requirements, accommodation options and associated costs.
